

Indianapolis Professional Association presents its

2017 Fall Networking/Fundraising Event at The District Tap (RICKHOUSE)

This year, we highlight MILLENNIALS and the local TECH scene to see how minorities can benefit from the new initiatives and expansions by INDY tech companies. We want to know who and where they are in Indy. What are they doing? Are they connected or connecting? You may have millennials in your organization whose presence would help to address these inquiries and concerns by providing their substance and insight. There will be GREAT music, GOOD food, DESIRABLE door prizes, a BASKET raffle with expensive items and many opportunities to meet and NETWORK with some of INDY's finest and new professionals.

YOU DON'T WANT TO MISS THIS ONE!
